Camarines Sur  
Region 5 – Bicol Region

### **Site/Facility Profile**

*A place like no other.*

*Camsur Watersport Complex (CWC) is not your ordinary wakeboarding site as this place has become the Philippines' and Asia's mecca of the vastly growing water sport.*

*There are many reasons that confirm its lofty billing, and one of which is the state-of-the art facilities sprawling in the six-hectare land. Arguably the most popular watersport site in the country, CWC boasts of a six-point cable ski system, an unmatched scheme that is sure to draw top level tournaments. One of the recent competitions that was held here is the Ironman 70.3 Philippines, a triathlon event which drew a bevy of blue-chip international competitors.*

*Nestled within the Provincial Capitol Complex of Cadlan, Pili, Camarines Sur, CWC may be reached via a three-minute drive from the Naga International Airport.*

*Foreign wake boarders include this site in their radar for its total and satisfying services that include free basic and safety instruction by CWC's resident instructors and operators. World class obstacle courses are also laid out along the area waiting for brave souls who want challenges and adventure. Aside from the wake boarding area, visitors may also enjoy soaking in the sun while eking out a high-powered volley action in the beach volleyball court.*
