Description

I. BRIEF BACKGROUND :

Tourism development and promotion are among the functions of Local Government Units (LGUs) as mandated by the Local Government Code of 1991. As local governments shifted to a more participatory forms of development governance, they were also encouraged to enjoin other stakeholders in local tourism development and promotion. Tourism contributes to the overall development of the LGUs. Thus, in formulating the Local Tourism Development Plan, LGUs need to ensure its alignment with other local plans like the Provincial Development and Physical Framework Plan (PDPFP), Comprehensive Development Plan (CDP) and Comprehensive Land Use Plan (CLUP). Alignment of the LTDP and LGU Business Plan is important to ensure that development of vital tourism-related investments or business opportunities are considered.
