##### I. PROJECT TITLE

2025 NATIONAL WOMEN'S MONTH CELEBRATION:  
 BASIC PLUMBING TRAINING  
 Host Agency : Department of Tourism MIMAROPA  
 Date of Implementation : March 25-28, 2025  
 Location: Calapan City, Mindoro Oriental

## II. BACKGROUND INFORMATION

Republic Act 6949 "An act declaring March 8 of every year as special working holiday to be known as National Women's Day/Month". The Department of Tourism joins the celebration to support the government's international commitments on gender and development and promote and advocate women's rights.

With the goal of fostering a society where all women have equal rights, power, and opportunities, the 2025 National Women's Month Celebration (NWMC) carries the sub-theme: "Babae sa Lahat ng Sektor, Aangat ang Bukas sa Bagong Pilipinas." This reinforces the core objective of RA 9710, or the Magna Carta of Women—to empower women, promote gender equality, and ensure equitable access to resources and opportunities.

The Department of Tourism (DOT) MIMAROPA Region supports the 2025 National Women's Month Celebration which aims to increase awareness and advocacy for gender equality, resulting in greater recognition of women's equal rights, power, and opportunities across all sectors; to enhance the inclusion of marginalized and vulnerable sectors of women, including indigenous women, rural women, and women with disabilities, through targeted initiatives that ensure their participation and access to programs and resources promoting inclusive development; to strengthen multi-sectoral collaboration with government agencies, LGUs, NGOs, CSOs, and other stakeholders, leading to improved policies, access to services, and sustainable opportunities for women; and to improve policies and gender-responsive governance, ensuring the sustainability of gender equality efforts beyond 2025.

The MIMAROPA Gender and Development Focal Point System (GFPS) team seeks to celebrate women's month meaningfully by empowering and upskilling women employees by offering a specialized training program in basic plumbing which is designed to equip women with essential plumbing skills that will enhance not only their professional abilities but encourage gender inclusivity in traditionally male-dominated fields.
